Rockport Molded 5-Panel – Prime Coat

ROCKPORT MOLDED 5-PANEL

Elegant in design, the **Rockport** compliments many traditional and contemporary settings. Molded panel and non-profiled sticking highlight the classic design.

- Stocked in sizes up to 3' 0" X 6' 8" or 8' 0".
- Available in 1 3/8" (hollow and solid core) and 1 3/4" (solid core only.)
- Smooth, primed surface ready for painting.
- Matching bi-fold door design available.
- Haley molded panel doors contain recycled wood and are CARB compliant.
- Limited 1-year warranty on hollow core. Limited 2-year warranty on solid core.
- Can be used on residential and commercial applications.

Please contact our sales representatives for more information on our new molded panel door designs!
